Join our summer classes !

20 hours of French lessons per week.

Our teaching approach : a communicative method based on real-life situations, role-playing games, etc.

Goals : to understand and be understood in French

Program :

- **Face-to-face courses of French language** (18 hours per week). Communicative, active and practical teaching approach based on simulations, authentic documents, etc.
- **Self-learning activities** in a mediatheque (2 hours per week). Development of four specific skills : speaking, listening, writing and reading.
- **Social and cultural activities, sports**, going out in Rhône-Alpes region, museums visits, sports competitions, language rallye, sailing on the Loire, etc.

Registration in your Home University.

The course is equivalent to 12 ECTS.
