École Centrale de Lyon (ECL) (Lyon)

General Information

<i>Location of University</i>	École Centrale de Lyon 36 av. Guy de Collongue 69134 Écully Cedex
<i>General description</i>	<p>The mission of École Centrale de Lyon is to educate its students to become generalist engineers and multi-disciplined post-graduate leaders in their field, with an open-minded, wide-ranging vision of the world.</p> <p>Along with a fundamental basis of scientific and technical skills, the School combines an approach towards humanities and social sciences that provides graduates of École Centrale de Lyon with an ability to quickly acquire the competencies needed to execute the management positions and international roles they may hold in the future.</p> <p>In an ever-changing world, École Centrale de Lyon - through the partnerships that it continuously creates and renews within the industry - ensures that the education received by its students is aligned with the needs of industrial enterprises, so that the engineering students of today can best respond to the scientific and societal challenges of tomorrow.</p>
<i>Student population</i>	2,000 students

Study Programs

<i>Programs or courses by field of study</i>	<p>Depending on the Agreement between ECL and the home institution, students will be allowed to do:</p> <ul style="list-style-type: none"> - One semester (Semester 8 or 9) - One academic year (Semester 9 and 10) [+ possibly a Master Degree] <p>Prospective exchange students applying for the full year exchange or for an academic semester exchange must have either an academic Bachelor degree or they must have at least 180 ECTS credits prior to their exchange application. Exceptions to this rule must be dealt with prior to applications between the home and host institutions.</p>
<i>Link(s) for the course catalogue(s)</i>	https://www.ec-lyon.fr/en/international/come-and-study/semester-year-exchange
<i>Programs / Courses not available to exchange students</i>	N/A
<i>Language requirements</i>	A good knowledge and skills in French language are required to successfully pursue studies at ECL (at least a “B1 level” of the Common European Framework of Reference for Languages [CEFRL])
<i>Courses offered in English</i>	See S8 and S9 programme + International Master programmes

Academic Calendar

<i>1st semester</i>	
<i>Start and end date</i>	Early September – end of January (Dates to be confirmed)
<i>Exam period</i>	Semester 5 and semester 7: end of January Semester 9: Mid-December + early March

École Centrale de Lyon (ECL) (Lyon)

<i>Recommended arrival date</i>	Last week of August
<i>2nd semester</i>	
<i>Start and end date</i>	Early February – End of June (Dates to be confirmed)
<i>Exam period</i>	Semester 6: End of June Semester 8: Early April
<i>Recommended arrival date</i>	End of January

Accommodation

University residences (or CROUS) and off-campus housing Two student residences are located on the campus of École Centrale Lyon:

1. [Paul Comparat Residence](#): This residence consists of **403 individual rooms** managed by Centrale Lyon.
2. [Paul-Emile Victor Residence](#): This private residence is managed by ADOMA which holds **240 studios ranging from 18 to 30m²**.

[LyonCampus](#): LyonCampus is a site designed to answer questions and assist university students in the Lyon region.

[CROUS](#): The CROUS manages university residences in France and has a list of accommodation available on its website. The CROUS office is open from Monday to Friday from 8:30am to 4pm.

[CLLAJ](#): The *Comité Local pour Le Logement Autonome des Jeunes de la Région Rhône-Alpes* website contains information packages and brochures that can be downloaded.

[CRIJ](#): At the *Centre régional d'information jeunesse* you will find posters advertising accommodation offers all year round.

Applications are made through the university or individually.

We try to guarantee a room for all incoming students (coming for 1 year) who wish to live on campus. Unfortunately, we cannot guarantee the same for students coming for only 1 semester. The application form for housing will be sent via MobilityOnline by the International Office following the student's admission.

Accommodation costs:

Residence Paul Comparat: Approximate rent per month: 340€* (\$497*)

Residence ADOMA : Approximate rent per month: 470€* (\$687*)

* The amount may vary.

Additional services & Information

Health

Infirmary:

Monday to Thursday: 8am to 4pm

Friday: 8am to 3:30pm

Doctor:

Monday from 9:10am to 1:00pm

Psychologist:

Wednesday from 1:00pm to 7:00pm

CROUS social service:

Make an appointment at the infirmary

Special needs

One of École Centrale de Lyon's major priorities is ensuring accessibility to the School for a diverse public. The School believes that disabled people should be able to pursue an engineering education at Centrale Lyon, subject to the same opportunities and the same requirements as able-bodied students. The School is committed to assisting these students in achieving their personal

École Centrale de Lyon (ECL) (Lyon)

study and professional goals within such a context.

A number of adjustments have been made to the campus in order to facilitate accessibility for people with a reduced capacity for mobility:

- Rooms available on the ground floor of the student residences;
- Special arrangements made in teaching buildings and research centres;
- Installation of elevators.

École Normale Supérieure de Lyon (ENS) (Lyon)

General Information

<i>Location of University</i>	15 parvis René Descartes BP 7000 69342 Lyon Cedex 07 FRANCE
<i>General description</i>	<p>The École Normale Supérieure de Lyon is an elite French public institution that trains professors, researchers, senior civil servants as well as business and political leaders. All disciplines are covered with the exception of law and medicine. ENS de Lyon has also become a reference center for Educational Sciences.</p> <p>Built on the tradition of the ENS de Fontenay-Saint-Cloud, founded in 1880, the ENS de Lyon also focuses on educational research. It is a symbol of French Republican meritocracy and it remains committed today to disseminating knowledge to the widest audience and to promoting equal opportunity. Students choose their courses and split their time between training and research in sciences and humanities. They benefit from an exceptionally high level of supervision with a team of over 600 teacher-researchers, as well as introductory research courses in our 30 laboratories and platforms. Our Master's degrees in English allows our students to follow an engaging unique curriculum.</p> <p>The ENS de Lyon is part of the Université de Lyon. 7th best small university in the world - Times Higher Education 2019</p> <p>14% International students 20% students have benefited from outgoing mobility abroad At the School, the training follows three rules: the promotion of multidisciplinary approaches, individualized supervision of courses adapted to students' projects, and the need to respect the long research time. This formation is closely associated with fundamental research, recognized in France as well as internationally.</p>
<i>Student population</i>	2,300 students

INSA Lyon (Institut National Des Sciences Appliquées) (Lyon)

General Information

Location of University 20 Avenue Albert Einstein, 69100 Villeurbanne

General description [5 good reasons to study at INSA Lyon](#)

International Outreach

- An international campus: 30% of International students & 92 nationalities represented

High Quality Teaching Programs

- An engineering curriculum integrating a multidisciplinary approach, including humanities
- 9 engineering departments. Find out what to study on the [Education Catalog](#)
- Strong links to industry, including internship opportunities
- Project-based pedagogy
- A large panel of courses taught in English

Synergy between Education and Research

Shanghai Ranking 2018

- [#1 French University for Mechanical Engineering](#) (#51-75)
- [#3 French University for Metallurgical Engineering](#) (#76-100)

QS Top Universities 2018

- [5th French University in Mechanical, Aeronautical & Manufacturing](#) (#201-250)
- [8th French University in Engineering & Technology](#) (#293)
- [9th French University for Employability](#) (#301-500)

National rankings 2018

- [#1 School of Engineering for Research and Innovation](#)
- [#1 School of Engineering with a 5-year post baccalaureate training](#)
- [#2 School of Engineering on LinkedIn with more than 33 000 alumni](#)

Video: <https://youtu.be/wEmUHKjKty8>

Student Services and Support

- We're here to help! Each department has an international academic advisor, added to the International Relations Office and the registrar's office.
- French lessons are provided all year, including Summer and Winter schools.
- [Halls of residence](#) available for all international students
- Social and health services are provided

Vibrant Campus Life

- Over 130 student associations: INSA Lyon encourages students to actively take part in community life on campus. A good way to make friends but also foster leadership and project management skills.
- Great place to study, enjoy sporting and many cultural activities
- Located on Campus Lyon Tech-la Doua: Technopolis of 100 hectares
- 25 000 students, 80 laboratories

[24h de l'INSA](#): biggest student festival in France

Student population 6,300 students

Additional services & Information

Health **Support services and systems**

Student Counselling and Support Service

The Student Counselling and Support Service offers a warm welcome with personal advice and support by psychologists for all students throughout their education at INSA Lyon, with the aim of helping them succeed. Individual counselling sessions can be on a regular or as-needed basis depending on the students' preferences, and take place in an understanding, non-judgemental and strictly confidential setting.

Student Health Centre

The Student Health Centre provides medical care, counselling, support and prevention for students who have or develop health problems of any kind

INSA Lyon (Institut National Des Sciences Appliquées) (Lyon)

whatsoever (physiological or psychological, temporary or permanent disability).

Student Social Service

The Student Social Service's mission is to assist INSA engineering students with any temporary or permanent difficulties they may encounter. It receives the students either directly or after they have been referred by other INSA structures (Student Health Centre, Student Counselling and Support Service, Admissions Office, International Relations Office, etc.) or by lecturers or course directors.

Tutoring

The "Passerelle" tutoring system supported by the Rhône-Alpes Region aims to support students in academic difficulty. It uses tutoring (mostly in maths and physics) provided by engineering students in specialisation Master's courses. Working in partnership with the Department, the tutors infuse their work with the values of solidarity and mutual assistance, founding values of the INSA cultural identity.

Mentoring

Since 2008, INSA Lyon has been offering its students the opportunity to meet working engineers. This mentoring programme ("mentorat") is for voluntary engineering students who wish to discuss their own professional project.

Special needs

Office for Disabled Students

The Office of Disabled Students welcomes and assists students with reduced mobility, organising all of the arrangements put in place in cooperation with the various INSA structures: Student Health Centre, Student Social Service, halls of residence, refectories, sports centre, Marie Curie Library, and so on.

Université Claude Bernard Lyon 1 (Lyon)

General Information

<i>Location of University</i>	43 Boulevard du 11 novembre 1918 69100 VILLEURBANNE
<i>General description</i>	<p>Almost 46,000 students take classes at the University Claude Bernard Lyon 1 in sciences and technologies, health and sports.</p> <p>With a 90% ratio of professional integration, the University is committed to prepare students for skilled jobs. The University offers a range of 200 programs from Bac+2 to Ph D : 13 undergraduate degrees (<i>licences</i>), 46 graduate degrees (<i>masters</i>), 6 different pathways for the engineering degree (Polytech Lyon), 11 areas of specialization in our University Institute of Technology (IUT), 58 vocational degrees and 10 different degrees in health (medicine, odontology, pharmacy, etc.)</p> <p>Also, it grants more than 10,000 degrees per year.</p> <p>The University always pushes the boundaries of knowledge further, favors training through research and facilitates every day the dialogue between society and sciences. At the University Claude Bernard Lyon 1, about 3,000 researchers create everyday knowledge and innovation within 65 labs known worldwide in the most advanced scientific fields: health, math, IT, physics, chemistry, science of the Earth and the Universe, life sciences, etc. Due to its research teams and unique equipment resources, the University is considered to be a worldwide intellectual and technological model.</p> <p>The exploration of Mars, Higgs Boson, progress concerning the flu, obesity, breast cancer or the brain: Lyon 1 is a stakeholder in each of these scientific adventures. With more than 5,500 publications per year in international peer-reviewed journals, the University advances science. First in patent registrations, it regularly innovates through concrete applications.</p> <p>Everyone considers Lyon 1 as a great place to study. Its campuses, located in the heart of an exceptional region, are lively and allow everyone to grow and achieve their potential.</p>
<i>Student population</i>	close to 46,000 students

Recommended arrival date

From January 2nd

Accommodation

University residences (or CROUS) and off-campus housing

The International Relations Offices (IR) of the UCBL1 work with the *Centre Régional des Oeuvres Universitaires et Scolaires* (CROUS) of Lyon to acquire a number of rooms/studios in CROUS residences.

The CROUS is a public organization of the French State, located throughout France. Its main goal is to improve the life and living conditions of students in French higher education.

We offer these rooms/studios to incoming exchange students at Lyon 1 as long as they are available.

Applications are accepted from mid-June (the date is likely to change next year) at the international office of the Faculty you are enrolled in (contacts of international relations are available [here](#)).

Housing offers in 2019-2020: individual rooms and individual studios.

Rent in 2019-2020: between 270€ and 400€/month (\$395* and \$585*)

*The amount may vary.

Students can also find for their own accommodations. The Faculty International Relations Offices can assist you by providing a list of addresses.

Additional services & Information

Health

The [University Health Center](#) (SSU), is located on the campuses of la Doua, Lyon Sud and Lyon Est. It is open to any Lyon 1 student. In April 2018, Lyon 1 was the first University of Lyon to open this kind of health center where students can meet doctors and get prescriptions.

The aim of this center is to prevent illness, promote health and treat students by appointment. The team is made up of doctors, nurses and psychologists. Students can also ask for a medical certificate for a sport activity or have blood tests.

Special needs

The [Mission handicap service](#) is dedicated to students in a health situation affecting their studies. They offer support that can continue until the student finds a job.

Today, about 600 students of Lyon 1 use this service. Students can benefit from a free and individual follow-up: accommodation for exams, studies and sports.

Université Claude Bernard Lyon 1 (Lyon)

Services and extracurricular activities

Culture

This University is definitely a place of culture open to everyone: live performances at the [Astrée theater](#), artistic and cultural workshops and exhibitions.

Every year, plays, music and dance performances are held in the Astrée theater. Each season a full program is created. Lyon 1 students have free access to all the performances.

Since its creation twelve years ago, La Galerie Domus has been dedicated to contemporary photography. It is also located on the Doua campus in Villeurbanne.

A diverse student life

Student life is the heart of the campus. You will discover that Lyon 1 also offers regular events on campus, a lively community life and puts many services at your disposal. Hundreds of events are organized at the University: scientific conferences, student evenings, night sports tournaments, community gatherings, cultural performances, etc.

More than 60 student organizations are located on the campuses of Lyon 1! You will have the choice of getting involved in one of them.

During our orientation week, generally during the first week of September, many meetings and events are held so that you can discover the university life at Lyon 1.

The International Relations Office also organizes a specific afternoon for incoming students. It is an opportunity to meet other incoming students and also members of the sports and cultural associations during a French “goûter” (snack!).

To know more about the events organized at Lyon 1, you can log on the “[portail étudiant](#)” (student portal) or on our facebook “Université Claude Bernard Lyon 1”.

Sport

Through sports activities, Lyon 1 brings all students together. Sport is fully integrated into the campus with many sport facilities and the biggest university sports association. You can choose the activity that interests you and do it at your own level, during your spare time or for competition.

The University Service of Physical and Sports Activities (SUAPS) offers more than 30 disciplines supervised by instructors. Information and contacts are available on the website of the [SUAPS](#).

<i>1st semester</i>	
<i>Start and end date</i>	Monday, September 2, 2019 – Saturday, December 21st, 2019 at noon
<i>Exam period</i>	December 16th, 2019 – January 18th, 2020
<i>Recommended arrival date</i>	Before September 1st, 2019. An orientation period will be organized. Students will receive more information about orientation dates and activities.
<i>2nd semester</i>	
<i>Start and end date</i>	Monday, January 6th, 2020 – Saturday, May 2nd, 2020 at noon
<i>Exam period</i>	As of May 4th, 2020

Université Grenoble Alpes (Grenoble)

Recommended arrival date Before January 6th, 2020. An orientation period will be organized. Students will receive more information about orientation dates and activities.

Accommodation

University residences (or CROUS) and off-campus housing

Student housing via ISSO

- In [residence hall of the CROUS](#): from 150 to 430 € / month (\$220* to \$629* / month) excluding charges
 - 9m2 room: Shared washrooms /Bed, desk, wardrobe/closet, shelves, chair, washbasin, shared kitchen): From €160 to €180 / month (\$234* to \$264*);
 - 12-20m2 room: private shower, toilet and washbasin, bed, desk, wardrobe/closet, shelves, chair / Private kitchenette): From €360/month (\$527*)
 - Studio : From €430 / month (\$629*);
- In private student residence: Students may elect to live in private housing; costs in Grenoble range from 250 € to 840 € / month. (\$366* to \$1,230*);
- Rental of a studio (private rental): from 350 € / month (\$512*);
- Room in a shared flat: about 400€ (\$585*);
- Renting a room from the landlord (private rental): about 280 € / month (\$410*)

* The amount may vary.

Students do not have to contact directly the student housing department. They will receive an automatic email of the process to apply for housing. Be careful to respect the procedure that will be sent and check spams. Exchange students who complete the housing application process by the deadlines indicated are guaranteed a placement proposal in student housing. They won't be asked for a French guarantor. Note: If the student will be lodged in a CROUS residence, the student must arrive before the 8th day of the month. Students who apply after the housing deadline may still be able to live in university housing if places are still available.

HOUSING APPLICATION PROCESS

	Mobility during the 1st semester and the full year	Mobility during the 2nd semester
Email to apply for housing Please check your spam folder	May/June	October/November
Deadlines for the housing application	July 1	November 15
Housing assignments	End of July	About a month before your arrival date

Students have the possibility to find an accommodation by themselves, but they have to be aware that they will have to find a "guarantor". To solve this issue, a new solution exists: "[Visale](#)" [procedure](#).

Here are some other websites to find a private accommodation:

Université Savoie Mont Blanc (Chambéry)

General Information

<i>Location of University</i>	27 Rue Marcoz, 73000 Chambéry, France
<i>General description</i>	<p>The Université Savoie Mont Blanc is located in two “departments” (Savoie and Haute-Savoie), part of the Region Auvergne-Rhône-Alpes, in the center of a dense cross-border network with Switzerland, Italy and Germany.</p> <p>The Université Savoie Mont Blanc, whose presidency is located in the centre of Chambéry (27 rue Marcoz), has 3 campuses:</p> <p>The Jacob-Bellecombette campus, situated on a hillside overlooking Chambéry;</p> <p>The Bourget-du-Lac campus, (8 km from Chambéry), near Lac du Bourget;</p> <p>The Annecy-le-Vieux campus, (50 km from Chambéry) situated on a hillside overlooking the city of Annecy.</p>

THE RIGHT PLACE TO GET AHEAD OF THE COMPETITION

Université Savoie Mont Blanc is part of the Auvergne-Rhône-Alpes region which is the second most economically active in France and one of the most competitive in Europe. In the heart of the hi-tech Rhône River Valley, which extends from Valence to Geneva, it is renowned for innovation and academic excellence.

The university has unquestionably earned an international reputation thanks to the sectors of research concerned with the environment – particularly around the themes of:

Behavioural Sciences, Images, Cultures, Societies;
 Business, Corporate Governance, Responsibility;
 Mountain studies, Tourism, Sport, Health.
 Fundamental Science, Earth sciences and Environment;
 Technologies: Mechatronics, Energy conservation-Civil Engineering, Digital technologies;

Université Savoie Mont Blanc takes advantage of its geographical location to forge close university cooperation with our Swiss and Italian neighbours. International organizations in Geneva are only a short trip away!
 If you decide to come to Université Savoie Mont Blanc, you'll receive a first-class training with an emphasis on practical skills and professional application.

A RICH AND EXCITING INTERNATIONAL COMMUNITY

The university is regularly ranked among the best in France for its international exchanges.

About 1,000 students take part each year in exchange programs such as Erasmus, ISEP, ORA and CREPUQ.

Université Savoie Mont Blanc is the ideal setting for you to improve your command of French and position yourself for the job market.

Studying at Université Savoie Mont Blanc is a real plus for anyone who wants to gain valuable international experience as part of their education.

A UNIVERSITY THAT SUITS YOU

Small enough to feel warm and friendly, with personal tutors, small classes and low student teacher ratios, a range of student health and welfare services.

Big enough to provide outstanding extra-curricular opportunities...

Université Savoie Mont Blanc offers you a wide range of programs and courses. Whatever your area of interest, chances are we have a program of study for you!

Université Savoie Mont Blanc (Chambéry)

PRIVILEGED AND ATTRACTIVE ENVIRONMENTS

Sports and leisure:

The three campuses of Université Savoie Mont Blanc are located at the heart of a natural environment of exceptional quality. Mountains and lakes are the backdrop for an exceptional variety of leisure activities for students: skiing, hiking, rock-climbing, water sports, paragliding... Continue to enjoy your favourite activities thanks to the University Sports Centre!

Cultural life:

Anney and Chambéry are medium-sized cities pleasant to live in. Both are steeped in a long history, offering a high-quality cultural environment which is reinforced by an active student campus life and a laid-back setting that students love. The region offers a wide range of international events such as Anney International Animation Film Festival or the rock music festival "Musilac", as well as a large number of high-level sports competitions all year long. You can also sample the finest of French gastronomy and enjoy some traditional Savoyard folklore on your very doorstep.

Student population 15,000 students including 1,500 international students
